Our Study Tour Started

Sightseeing and visiting museums in London

We took a photo outside Buckingham Palace. "Where are you, Queen Elizabeth?"

Wow! What a giant dinosaur!

Cao Zheng Fei

During the musical *The Phantom of the Opera* at the Queen's Theatre, I was impressed that a few metres from the stage they could make different special effects.

LONDON

Chan Chi Shun

We visited Buckingham Palace, St Paul's Cathedral and Parliament buildings. During the sightseeing tour, I learnt a lot about the history of Britain.

5C
Suen Hoi Chun

The British Natural History Museum taught us about wild animals and dinosaurs. We went to a room where we could see more than four hundred specimens.

Let's take a closer look at the fossils.

Visiting the birthplace of William Shakespeare

5D
Yip Yan Tung

We visited Shakespeare's former residence and someone performed scenes from his famous plays such as *'Romeo and Juliet'*.

We took a photo with the characters in the play.

5C
Lau Cheuk Yan

Stratford-upon-Avon was the birthplace of Shakespeare. When I visited his house, I learnt that his father was a glove maker. I saw the house was not just for living, there was also a room for the workshop.

5B
Lee Hei Yui

We learnt a lot about history at Shakespeare's birthplace and house.

Shakespeare wrote so many plays and books!

Immersing ourselves in Cambridge University and Oxford University

We found the stone with the Chinese poem on it.

At Cambridge, we read aloud on the bridge, "Saying Goodbye to Cambridge Again" by the famous poet Xu Zhimo.

5C
Kwok Hoi Ying
I think Oxford is a fun place. I would like to go there for university because it is huge. It is less solemn than Cambridge and the people are nice.

5C
Tam Ching Yan
Foreign universities are really different and much bigger than in Hong Kong. They look more stylish.

We loved the history and the old architecture.

5C
So Ally
We sang Queen's song 'We will rock you'. At first, it was hard, but we kept trying and then we could all sing well. My most special memory was the man who taught us drums. He was humorous and told us that you need to put your whole heart into the drums.

5C
Wong Heung Chung
I think the music performance was the most special memory of the trip.

Music classes at Orleans Park School

5D
Ko Hei Yiu
The African drum teacher asked us to dance with our principal and we danced happily together. After the drum lesson, we had a guitar lesson and we learnt a new song. We sang and put on costumes. I looked really funny in my costume. We had a lot of fun.

We will, we will rock you...

We were so excited to dance with Principal Wong!

Playing the drums was fun!

We loved pizza.
It was so yummy!

We are
Harry Potter!

After~thoughts

Chow Hin Cheung

I learnt to be brave
when I face new
things. I am going
home in a happy
mood.

We enjoyed famous 'fish
and chips' in a local pub.

Something that
surprised me was that
Londoners "go green". They
used bicycles and scooters
to go to work, school and
play, but in HK only a
few people do this.

Time for
shopping

5C
Sun Elot

At the beginning
of the trip, I felt very
nervous and scared because
I needed to be away from my
parents for seven days. Now,
I am brave and happy. I
want to join more school
tours in the future.

6C
Au Tsz Yan

I think travelling to
another country was a
very good experience to
build our confidence and
independence. I think it
was an unforgettable
journey.

We were in China Town.
