NET & ELTAS SCHEME

Our NET (Native-speaking English Teacher)

Mr O'Neil

Hi, my name is Sean O'Neil. I come from New Zealand. When I'm back in New Zealand, I like to go fishing and enjoy cooking some nice food.

This year Primary 4-6 have been building on their reading and writing skills through the NET scheme Keys2 programme.

Our ELTAS (English Language Teaching Assistants)

Mr William

My name is William Coker. I come from London, England. I like to travel around the world, go hiking and swimming in the sea.

This year in Primary 4-6, my students have been improving their speaking, listening, reading and writing skills in English lessons.

Miss Siobhan

Hello, my name is Siobhan Connelly from Scotland. Scotland is famous for stunning scenery. In my spare time, I love travelling, exploring new places and socialising with my friends and family.

This year I am teaching all Primary 1 classes. My students have been improving their phonics skills, as well as reading, listening and writing skills through a variety of activities.

Mr Sav

Hi, my name is Savoi Vieira. I come from South Africa. My hobbies include subsistence farming, playing sports, travelling, and riding my horse.

This year I am working closely with Primary 2 students and we aim to improve their reading and writing, as well as their confidence in speaking English whilst using the correct pronunciation.

Mr Landau

Hello everyone! My name is Christopher Landau. I come from London. I live in Lam Tin with my wife and two cats. In my spare time, I love to read, listen to music and play chess online.

This year I am teaching Primary 3 classes. I look forward to seeing my students around the school!

ENGLISH ACTIVITIES

Scan and take a look!

Library Reading Circle

Every recess in the library, Mr O'Neil and our students enjoy some fun books and learn some key reading strategies. By modelling some good reading habits, students can learn how to make the most out of their reading time.

Mr O'Neil is sharing a book with the Primary 6 students.

Students can practise their comprehension skills and higher order thinking by answering some questions.

Reading Café

A new and exciting addition to recess is the Reading Café. Students can interact with our ELTAs and participate in engaging theme-based activities. Each month we design some exciting activities to broaden students' imagination and immerse students in cultural events around the world. Themes have included All Saints' Day in October, Thanksgiving in November and Christmas in December.

An interactive Smart TV enhances students' vocabulary and they can play fun English games.

Two AI robots in The Reading Café inspire students to practise their English.

Quick thinking skills are needed for the fun quiz.

English Room

Every recess, Primary 6 students can go to the English Room where they can practise and improve their interview skills, as well as building up their confidence with the ELTAs.

Morning Class Teacher Time

Every morning the NET and ELTAs visit our students during the Morning Class Teacher Time to talk about the word of the day and have conversations with the students about various topics. Our students enjoy the chatting time very much.

EXTRA-CURRICULAR ACTIVITIES

English Master Junior

During these engaging one-hour classes, Primary 2 and 3 students partake in various fun English activities including role play, story writing and vocabulary building games. Students also compete in various intra-school competitions throughout the programme where they can showcase their works.

Making use of Zoom

Doing an experiment with students via Zoom

A fun quiz to motivate students on Zoom

English Drama

Students play some drama games via Zoom lessons. They can practise using their faces and bodies to show emotions and act out different scenes. They learn how to use their voices in various ways to express themselves better.

STEM in English

Primary 5 students have the opportunity to design and create a power generator. They can explore the benefits of using renewable energy when creating electricity and witness the benefits in real life, whilst testing their creativity and presentation skills, as well as their English language skills.

SPECIAL DAY ACTIVITIES

Christmas Day

'Santa Claus is coming to town...' Our NET and ELTAs had a lot of fun with our students on Christmas Day. Students could learn more about Christmas, such as the origin of Christmas and sing fantastic Christmas songs together with our NET and ELTAs. It was such a memorable moment for our students.

Chinese Cultural Day

On Chinese Cultural Day, students learnt more about Chinese New Year traditional food from the videos which are produced by the NET & ELTAs. Apart from Chinese New Year food, the NET & ELTAs introduced their hometown New Year special dishes to the students too. Learning about New Year food of different countries with our NET & ELTAs is very amazing!
