NETs Action Plan

Mr O'Neil

Hello, I'm Sean O'Neil from New Zealand. I like many sports like rugby and basketball. In Hong Kong, I often go hiking and swimming in the pool or at the beach. I am teaching the school reading and writing programme called Keys2 to Primary 4 to Primary 6. We are learning different strategies to read new information and get used to writing different text types. I look forward to chatting with you all at school.

Miss Siobhan

Hi, everyone! My name is Siobhan Connelly and I come from Scotland. I've been teaching in Hong Kong for 5 years and I enjoy exploring the beaches, restaurants and hiking trails. This year, I teach Primary 3 classes and work on improving the students' English skills in a fun learning environment.

Mr Sav

Hi, my name is Savoi Vieira and I come from South Africa. I have been teaching in Hong Kong for 4 years. I love the people, the culture and the cuisine in Hong Kong.

In my spare time, I enjoy reading, subsistence farming, playing sports, camping and exploring Hong Kong with my dog.

This year I teach Primary 2 classes. I look forward to helping my students achieve their goals and improve their confidence and English skills. I aim at creating an authentic English environment for my students to learn in.

Miss Jordan

Hi, everyone! My name is Jordan Bartlett. I am from South Africa. I have been working in Hong Kong for 4 years and love everything about it. I am very passionate about different outdoor activities, such as hiking and swimming. I also love experiencing different food.

This year I am the teacher to the Primary 1 classes. I look forward to helping my students build mentally, emotionally, socially, as well as developing a positive learning experience in English.

Mr Reid

Hello, my name is Reid Hartzell and I come from the United States. This is my 3rd year teaching in Hong Kong. I like to stay active by running and swimming. In my free time, I enjoy exploring museums and thrift shops.

This year, I teach Primary 4 and 5 classes. I'm excited to work alongside with fellow teachers and students to promote a positive and active learning culture.
